

THE WORLD'S MOST ADVANCED ROBOTIC SURGERY SYSTEM

at the community's most trusted hospital.

Complex and intricate surgeries can now be performed using da Vinci—the world's most sophisticated and advanced surgery system.

The innovative program offers patients the precision of robotics, the skill of experienced surgeons and the personalized care that has become synonymous with Bakersfield Memorial Hospital.

Bringing the world's best technology to Bakersfield—just one of the reasons Memorial is our community's most trusted hospital.
